

SECTION 04

Stall & Product Amendments

Stall Alteration/ Sale of Business

Stall & Product Amendments

All stall changes and product applications need to be approved by the MBSM Operations team. No changes are to be made prior to being approved.

Stall Meterage & Appearance (marque, trailer) – complete Stall Alteration Form

Add or Remove Products – complete New Product Application Form

Signage & Electrical – Apply in writing to admin@mindil.com.au

NEW PRODUCTS - MARKET DIVERSITY AND QUALITY

Mindil Beach Sunset Market actively encourages NT and Australian products. Our overall market ethos is to focus, promote and showcase locally designed and handmade products. The Operations Team works towards product diversity and encourages local products over imported and mass-produced goods.

NEW PRODUCT APPLICATIONS

- New stalls need to apply for products with application to trade
- Existing stalls need to complete a new product application form
- All product applications are assessed against current trends, products being sold in the market, authenticity and the design and manufacture process
- Applications for handmade products must meet the handmade policy. (Next page)

Handmade Policy

Hand Made Policy

Mindil Beach Sunset Markets actively encourages Northern Territory and Australian business. Our overall Market ethos is to focus, promote and showcase locally designed and handmade products.

To support the integrity of Designers and their original concepts and products, Mindil Beach Sunset Markets have implemented a Hand Made Policy which applies to all Stall Holders and the items they sell.

Stall Holder must identify where they fit within the Design and Manufacture Categories (below) with Stall Holders required to supply supporting evidence as requested. This information forms an integral part of the Stall Holder's Application and must be completed and submitted at time of Application lodgement.

Handmade Policy

Design and manufacture categories

Self Designed / Handmade:

Designs and Manufacture of items are done solely by the Applicant

Items must be Self Designed and Manufactured solely by the Applicant.
