# MINDIL MARKET EVENTS

## *Come and experience our Mindil*

Mindil Beach Sunset Markets is the very "Essence of Darwin". The iconic markets boast some of Darwin's best sunsets, electric atmosphere and laid back multi-cultural lifestyle. Operating every Thursday and Sunday from April to October, The Market features an eclectic mix of over 200 stalls including international cuisine, tropical fashion, handmade jewellery, leatherworks and arts and crafts, bringing the excitement and energy of a tropical night's experience to your next event.

## *Events Area*

Our events can host up to 400 guests and are ideally situated under the palms overlooking the beach with uninterrupted views of our fiery sunsets. Guests can enjoy a cocktail setting with a cold beverage and local canapes from over 65 food stalls from the comfort of your own private tropical setting. All Event Packages are held in a private enclosed area and include a host and service staff, tables, both chairs and relaxed seating options and beach access. MINDIL MONEY can be offered to your guests to spend as they wish throughout the market.

## *Entertainment*

Entertainment is showcased throughout the market with a variety of talented and offbeat local and international musicians, fire twirlers, circus performers, dancers, and whip cracking displays. We can also provide your special event with an entertainment of your own choosing by consulting our Events and Entertainment Manager.

## *Mindil Money*

Encourage your guests to venture out and experience our popular market with some MINDIL MONEY in hand. This can be used at any of the 200 market stalls to purchase some local favourites, a relaxing massage or perhaps a local handmade souvenir as a memento of a special night at the markets.
